

## ***The DMS Social Media Mission Statement is to:***

***Share educational content and foster positive meaningful dialogue with families, students, staff, and the community to improve communication and collaboratively support and advance the educational goals of our school.***

***Dialogue must be consistent with our mission and aligned with our criteria and constraints for positive meaningful dialogue.***

### ***Criteria:***

- ❖ Dialogue promotes DMS students and education.***
- ❖ Dialogue promotes the advancement of our educational goals.***

### ***Constraint:***

- ❖ Dialogue that is critical in nature will not contain names of students or staff or information that would lead to the identification of such individuals.***
- ❖ Dialogue will not contain profane language.***
- ❖ Dialogue that is critical in nature must also focus on viable solutions.***
